

Price List

All our restorations are full-contour and model-free for the best quality, cost, and delivery for your practice and patients. Each price below is per unit. All cases come with FREE 2-day shipping.

Crown & Bridge

Material	Standard	Preferred	Platinum
Basic Zirconia	\$99	\$94	\$89
Complex Zirconia	\$140	\$131	\$128
Basic Lithium Disilicate (emax CAD)	\$145	\$140	\$135
Complex Lithium Disilicate (emax CAD)	\$175	\$170	\$165
Gold (milled) - <i>varies on alloy and weight</i>	\$175 to \$275		
PMMA	\$47		

"Preferred" and "Platinum" pricing are available for accounts that are on autopay and whose average monthly volume is \$2,500+ or \$5,000+, respectively.

Units are priced as "Complex" if they are anywhere in the anterior zone (6-11, 22-27), or if there are 5+ units. Everything else is considered "Basic".
